You can also send your orders to orders@moensverpakkingen.be

Please order in multiples per pallet or per layer.

Bearing the fact that we do not have any information regarding neither the composition of the product to be filled in by your company and/or the circumstances under which this shall take place, nor the manner of which the filled packaging and the accessories are transported, we cannot give you any decisive answer concerning the compatibility with the used materials. The responsibility for possible damages and/or defects therefore entirely remains with the client. We recommend both product compatibility and stability tests to be done in your own interest.

Please respect the tightening torque of our bottles, cans and drums (with caps).

You can find the tightening torque in the specifications, if this is exceptionally not mentioned, please contact us via infosales@moenspackaging.be for more information.

Placing an order implies acceptance of our General Terms and Conditions.
